Correction

Regarding Gorelik, G., & Shackelford, T.K. (2011). Human sexual conflict from molecules to culture. *Evolutionary Psychology*, 9, 564-587: The authors wish to correct an omission in citation to the existing literature. In the final paragraph on p. 570, we neglected to cite Burch and Gallup (2006) [Burch, R. L., & Gallup, G. G., Jr. (2006). The psychobiology of human semen. In S. M. Platek & T. K. Shackelford (Eds.), *Female infidelity and paternal uncertainty* (pp. 141-172). New York: Cambridge University Press.]. Burch and Gallup (2006) reviewed the relevant literature on FSH and LH discussed in this paragraph, and should have been cited accordingly. In addition, Burch and Gallup (2006) should have been cited as the originators of the hypothesis regarding the role of FSH and LH in the semen of rapists. The authors apologize for this oversight.
